Code Number: RN 13323

SUBJECT: SCHLEIMER, Gerhard
DOB: 15 January 1916
FOB: Bockingen

VS.-Vertraulich

SUBJECT reportedly entered the Waffen SS in 1936 and served on both fronts until November 1941 when he was transferred to the SS Kriegsschule in Bad Toelz. He taught tactics in Bad Toelz until January 1944 when he was transferred to the SS Panzer Division "Hohenstaufen." Toward the end of 1944, he was arrested and put in a Gestapo prison in Floehnen allegedly because he was no longer considered reliable. He had supposedly tried to alleviate the bad conditions at the front fostered by the orders of the higher SS command. In April 1945, he was given a reprieve and served on the Eastern front until the capitulation. SCHLEIMER was employed by an Allied Intelligence Agency between an unknown date following the capitulation and November 1947. He was dropped on the later date because he had proven uncooperative and unreliable.

Files of the Berlin Document Center contain the following information:

NSDAP Central File revealed that SUBJECT, a dental technician, entered the party on 1 June 1933. His party number was 2692136. In 1938 his address was listed as SS Junkerschule, Bad Toelz.

The SS Officers file and SS Rasse und Niedereingehauptamt (race and settlement office) disclosed that SUBJECT had SS number 270942. He entered the Allgemeines (General) SS on 1 June 1933, rank and unit not given. He served with SS Vorfuegungstruppe (Reserve Field Unit), during an unknown period. On 1 October 1936, he entered the Waffen SS with the rank of Untersturmfuehrer and in 1939 was promoted to SS Standartenoberjunker. On 20 April 1943, he was promoted to the rank of SS Hauptsturmfuehrer. He was assigned to the following units on dates indicated: From 1 October 1936 until 1 November 1938, 3rd Company SS "Deutschland;" from 1 November 1938 until 1 October 1939, he attended the SS Junkerschule, Bad Toelz; from 1 October 1939 until 1 September 1940, SS Totenkopf Div, Training Infantry Regiment 2; from 1 September 1940 until 27 October 1941, SS Junkerschule Braunschweig; from 27 October 1941 until 1 November 1941, SS Junkerschule Bad Toelz; from 1 November 1941 until 1 February 1943, SS Artillerie-Ersatz Regiment; from 1 February 1943 until 1 December 1943, 4th SS Freiwilliger Panzer-Grenadier Brig "Nederland;" from 1 December 1943 until 10 June 1944, SS Artillerie Ausbildungs- und Ersatz-Regiment; From 10 June 1944 until 5 September 1944, Artillerie-Regiment/3 SS Panzer Division "Totenkopf;" from 5 September 1944 until 1 February 1945, SS Artillerie Ausbildungs- und Ersatz Regiment. On 6 July 1943 SUBJECT was severely reprimanded for neglect of duties.

No information exists concerning SUBJECT's activities subsequent to 1947 or pertaining to the allegations which appeared in Der Spiegel.

3. Following for purposes of carding and quick reference are the personalities mentioned in the attachment.

*SCHLEMMER, Gerhard

Born: 15 January 1916 in Berkingen/Saar. An old MfS case. He had carbon sheet, probably acted as a spotter and recruiter in the Saarland, and apparently tried to recruit employees of the Saar office of the German Embassy in Paris. The investigation continues. For EL I, KM BUECHER, KOM FIEKE, and KOM RAUMANN have it.
